Marius works with tax law, including international tax law, Norwegian company tax law and EEA tax law. He assists Norwegian and international clients in a variety of different industries with general tax advice and dispute resolution, including administrative cases, settlement negotiations with tax authorities and court cases. Marius also regularly assists companies with transfer pricing, including the development of pricing models, preparation of intra-group agreements, and choice of business structure. He has written the article "Statsstøtte og skatt – særlig om APA-er" (State Aid and tax), in Skatterett 03-04/2018.
