Sverre has extensive experience with IPOs, and other capital market transactions, public and private M&A transactions as well as advising on general company and securities law matters. He has advised on a long list of large and complex M&A transactions, ranking no. 1 on deal value over the last 10 years in Mergermarket's individual rankings for the Norwegian market. He has advised on more than 70 listings on Oslo Børs/Euronext Growth. Sverre is consistently ranked among Norway's leading capital markets and M&A lawyers. He is ranked in Band 1 by Chambers, as a market leader by IFLR 1000, among the top 2 Norwegian capital markets lawyers by Finansavisen and as a "thought leader" within M&A and governance by WWL. He is a member of the Norwegian Bar Association's expert committee for securities law and JUS' expert group for company law.

Sverre Sandvik is extremely legally skilled and very pragmatic. Processes are always good when he is involved
