Kjersti T. Trøbråten is a specialist on securities law and framework conditions for insurance and banking. For several years, she worked for the Norwegian Financial Supervisory Authority, at which she was responsible for the development and interpretation of rules of conduct and framework conditions for investment firms and management companies. Ms. Trøbråten is ranked as one of Norway's most prominent experts on financial regulatory law by Chambers and Partners.

According to enthusiastic sources, Kjersti Trøbråten provides "extensive knowledge, swift response times and very good client service." She is reputed for providing regulatory assistance to financial organisations. Clients also laud her as "very smart, always available, a very quick thinker and very pleasant."
