Ståle Gjengset provides legal and strategic advice and prepares contracts in connection with business transfers, mergers and demergers. Mr. Gjengset also has considerable experience in financing and financial restructuring. He was in charge of the first and, at present, only Norwegian refinancing that was carried out under the US "Chapter 11" regulations. In addition to acquisition financing and corporate financing, Mr. Gjengset has also assisted a number of companies in the offshore and aircraft industries with various acquisitions, sales and leasing transactions. Mr. Gjengset also has extensive experience in international negotiations and transactions. Mr. Gjengset lectures regularly on financial restructuring and associated subjects in various contexts, including at the Center for Continuing Legal Education, the Norwegian Bar Association and the Norwegian Advisory Council on Bankruptcy. Mr. Gjengset is ranked amongst Norway's most prominent experts on mergers and acquisitions, and restructuring and insolvency by Chambers and Partners and IFLR1000.

Ståle Gjengset is a go-to choice for handling restructurings for financial institutions, industrial companies and investment banks. Clients appreciate that "he gets to the point quickly, is very commercial and his writing always has substance - terrific lawyer!"
